COVID-19

Please ensure you have your COVID safety plan on hand at your club house. Ensure signs & sanitisers are out on display and ready to use.

All of the grounds I attended over the weekend were following the plan, which is great.

The reason I am reminding everyone is, we do not want an outbreak similar to the one Melbourne is currently experiencing, also there was a report from another association where a member of the public called the police reporting a field for not social distancing. The police arrived the next day, requested to see the clubs plan. They commended them for having everything in place and left with no issues.

I have attached two plans that have been sent from FNSW that deal specifically with canteen operations and First Aid. These are for your use if you need them. They also can be modified to be site specific.

Small Sided Football
